35. Argentine Randomized Study Coronary Angioplasty with Stenting vs. Coronary Bypass Surgery in Multiple Vessels Disease (ERACI II): Acute and Mid Term Outcome. **A. Rodríguez**, O Santaera, L Grinfeld, V Bernardi, J Baldi, J Navia, D Guastavino, M Martínez Peralta, I Palacios, W O'Neill on behalf of ERACI II Investigators, XXI European Society .Cardiology August 1999.
36. Cost Benefit Analysis Between Percutaneous Coronary Interventions vs. Coronary Bypass Surgery in Multiple Vessels Disease: Long Term Follow Up Results of the Randomized Study (ERACI II)" **A. Rodríguez**, V. Bernardi, J. Baldi, J. Navia, L. Grinfeld, C. Mauvecin, D. Vogel. R. Oliveri, I. Palacios, W. O'Neill. Transcatheter Cardiovascular Therapeutics The XXI Annual Symposium, , Washington USA. September 1999.
37. Argentine Randomized Study Coronary Angioplasty with Stents vs. Coronary Bypass Surgery in Multiple Vessel Disease (ERACI II): One Year Follow Up Results. **A Rodríguez**, V. Bernardi, J. Navia, J. Baldi, L. Grinfeld, J Martinez, D. Vogel, R Grinfeld, A Delacasa, M Garrido, R. Oliveri, E Mele, I. Palacios, W. O'Neill. on behalf of ERACI II Investigators. J. Am. Coll Cardiol, March 2000.

38. Cost Effectiveness Analysis Between Percutaneous Coronary Interventions vs. Coronary Bypass Surgery in Multiple Vessels Disease: Long Term Follow Up Results of the Randomized Study (ERACI II), **A. Rodríguez**, V. Bernardi, J. Baldi, J. Navia, L. Grinfeld, C. Mauvecin, D. Vogel, R. Oliveri, I. Palacios, W. O'Neill, J. Am.Coll Cardiol, March 2000.
39. Percutaneous Transluminal Coronary revascularization vs. Coronary Bypass Surgery In Patients with Multiple Vessel Disease and Proximal left Anterior Descending Artery Stenosis: Results From the ERACI II Study. **A Rodríguez**, S. Saavedra, C. Fernández, M. Rodríguez Alemparte, J. Baldi, L. Grinfeld, R Grinfeld, J Martinez, M. Russo Felsen, I. Palacios, W. O'Neill on behalf of ERACI II Investigators. J. Am.Coll Cardiol, March 2000.
40. Diabetic Patients With Multivessel Disease Treated with Percutaneous Coronary Revascularization Had Similar Outcome Than Those Treated with Surgery: One Year Follow Up Results From Two Argentine Randomized Studies (ERACI – ERACI II). C. Fernandez Pereira, V Bernardi, J Martinez, J. Baldi, D. Vogel, L. Grinfeld, M. Russo Felsen, C. Mauvecin, E. Mele, I. Palacios, **A. Rodríguez**. J. Am.Coll Cardiol, March 2000.
41. Patients With Three Or More Vessel Disease Treated with Percutaneous Interventions Achieved Similar Safety Long Term Outcome To Those Treated With Conventional Coronary Bypass Surgery: One Year Follow Up Results From the ERACI II Study. **A. Rodríguez**, M. Rodríguez Alemparte, V. Bernardi, J. Baldi J. Navia, A Delacasa, D. Vogel). C. Fernandez Pereira, I. Palacios, W. O'Neill. J. Am.Coll Cardiol, March 2001.
42. Three Years Follow-up Results of Argentine Randomized Study Coronary Angioplasty With Stenting Versus Bypass Surgery In Patients With Multiple Vessels Disease (ERACI II). **A. Rodríguez**, M. Rodríguez Alemparte, J. Baldi, J. Navia, J. Martinez, D. Vogel, A. Delacasa, V. Bernardi, C. Fernández Pereira, I. Palacios, W. O'Neill. Otamendi Hospital, Buenos Aires, Argentina, William Beaumont Hospital, Royal Oak, Michigan. J. Am. Coll Cardiol, March 2002.
43. Latin America Small Vessel Randomized Study (LASMAL): In Hospital and 30 Days Results. **A. Rodríguez**, M. Rodríguez Alemparte, V. Bernardi, A.F. Vigo, A. Sampaolesi, R. Da Rocha Loures Bueno, O. Andrin, A. Obregón Santos. SCA&I, May 2002.
44. Coronary stenting versus coronary bypass surgery in patients with multiple vessel disease and significant proximal LAD stenosis: results from the ERACI II study. **A. Rodríguez**, M. Rodríguez Alemparte, J. Baldi, J. Navia, A Delacasa, D Vogel, R Oliveri, C Fernández Pereira, V. Bernardi, W O'Neill, I F Palacios, on behalf of the ERACI II Investigators. Herat 2003; 89:184-188
45. Percutaneous Treatment of Acute Myocardial Infarction in Latin America” Results from the Latin Americ Society of Interventional Cardiology (SOLACI), presentado al XIV TH World Congress of

Cardiology, Sydney, Australia, Mayo 5-9/2002 . JACC (Suppl B), 39:99B

46. Randomized Trial of Balloon Angioplasty Versus Stenting for the treatment of Long Coronary Lesions. . **A. Rodríguez**, A. Abizaid, R. Moguel, W. Torres, C. Fernández, V. Vaz, M. Rodríguez, R. Staico, F. Feres, J. E. M. Sousa, I. Palacios, Massachusetts General Hospital, Boston ,MA. JACC March 2003, 1052- 184.
47. Final Angiographic and clinical Results of the Latin America Small Vessel Randomized Study (LASMAL Trial) **A. Rodríguez**, M. Rodríguez Alemparte, C. Fernández Pereira, A. Sampaolesi, R. Loures Bueno, C. Rubio, C. F Vigo, A. Obregon Santos, on behalf of Biodyvisio Investigators. Otamendi Hospital, Buenos Aires, Argentina, Adroque medical Institute, Buenos Aires, Argentina. JACC March 2003, 1076- 185
48. Pilot Study with Oral Rapamycin in Patients Undergoing Stenting in Coronary Arteries: Buenos Aires Experience (ORAR Trial) **A. Rodríguez**, M. Rodríguez Alemparte, C. Fernández Pereira, C. F Vigo, C. Llaurodo, M. Russo Felsen, O. Andrin, J.L Martinez. Otamendi Hospital, Buenos Aires, Argentina, JACC March 2003, 879- 3
49. Pilot Study of Oral Rapamycin to Prevent Restenosis in Patients Undergoing Coronary Stent Therapy: Argetnina Single Center Study (ORAR Trial) **A. Rodríguez**, M. Rodríguez Alemparte, C F Vigo, C Fernández Pereira C. Llaurodo, M. Russo Felsen, R. Virmani, J. Ambrose Otamendi Hospital, Buenos Aires, Argentina, J Invas Cardiol October 2003
50. A Prospective Multicenter International Randomized Trial Comparing Infarct Artery Stenting Alone with Infarct Artery Stenting plus Abciximab in Acute Myocardial Infarction: Principal Report of the Abciximab and Carbostent Evaluation (ACE) Trial. D. Antoniucci, **A. Rodríguez**, A. Hempel, A. Migliorini, G. Parodi, A. L Bartorelli, A. Colombo, G. M Santoro, G. Moschi, R. Valenti, L. Bolognese, M. Trapani, C. F Vigo, Careggi Hospital, Florence ,Italy, Otamendi Hospital, Buenos Aires ,Argentina JACC March 2003, 1025-165
51. Comparison of Impact of Emergency Percutaneous Revascularization on Outcome in Patients > 75 years to those < 75 years with acute Myocardial Infarction Complicated by Cardiogenic Shock. JACC June 2003.
52. Latin America Small Vessel Randomized Study in Diabetic Patients (LASMAL II): Clinical and Angiographic Follow – Up Data. **A. Rodríguez**, M. Rodríguez Alemparte, C Fernández Pereira, V Bernardi, C F Vigo, C Llaurodo, A Sampaolesi, R Loures Bueno, The LASMAL. Otamendi Hospital, Buenos Aires, Argentina, Clinica IMA, Adroque, Argentina. JACC March 2004, 1081- 48
53. Oral Rapamycin in Patients Undergoing Coronary Stent Therapy: Final Results of the ORAR Study (Oral Rapamycin in Argetnina). **A. Rodríguez**, M J. Rodríguez Alemparte, C Fernández

Pereira, C F Vigo, C Llauro, M Russo Felsen, A Pocovi, D Vetcher,. Otamendi Hospital, Buenos Aires, Argentina, Argentine Society for Cardiac Intervention, Buenos Aires, Argentina. JACC March 2004, 878- 2

54. Five Year Follow-up of Argentine Randomized Study of Coronary Stents vs Coronary Bypass Surgery in Multiple Vessels Disease. **AE Rodríguez**, M Rodríguez Alemparte, J Baldi, C Fernández Pereira, C F Vigo, A de la Casa, I Palacios, W O'Neill. Invasive Cardiology Otamendi Hospital, Buenos Aires, Argentina, ¹ Cardiac Unit Massachusetts General Hospital Boston United States of America, ² Cardiology William Beaumont Michigan United States of America. , European Society 2004
55. Dose Response Study of Oral Rapamycin in Prevention of Angiographic Restenosis: Result of ORAR Pilot Trial. **AE Rodríguez**, M Rodríguez Alemparte, C F Vigo, C Fernández Pereira, A Rodríguez Granillo, J Guiroy, J. Mieres. Invasive Cardiology Otamendi Hospital, Buenos Aires, Argentina, European Society 2004.
56. Abciximab-supported infarct artery stent implantation for acute myocardial infarction and long-term survival. A randomized trial comparing infarct artery stenting plus abciximab. D Antoniucci, A Migliorini, G Parodi, R Valenti, **AE Rodriguez**, A Hempel, G Memisha, GM Santoro. European Society, 2004.
57. Efficacy and Tolerability of Oral Rapamycin to Prevent Restenosis after Coronary Stent Implantation: The prospective, Randomized ORAR II Study. **A. Rodríguez**, M Rodríguez Alemparte, C Fernández Pereira, A Pocoví, J Tronge, G Kaluza, A Raizner, G W Stone, Otamendi Hospital, Buenos Aires Argentina, Columbia University Medical Center, New York, NY, JACC FEBRUARY 2005, 839- 5
58. WISDOM high – risk Subgroups: 12 Month Outcomes with the Slow – release Polymer – based, Paclitaxel eluting Taxus Stent. A Abizaid, C Chan, T Teng – Lim, U Kaul, T Patel, H C Tan, N Sinha, J Lopez, E Gaxiola, S Ramesh, **A Rodriguez**, M Adamian, WISDOM Investigators. Instituto de Cardiologia Dante Pazzanese, Sao Paulo Brazil.- JACC February 2005, 866- 3
59. Long Term clinical and angiographic follow up of oral rapamycin in patients undergoing coronary bare stent therapy: Results of the randomized ORAR II trial.- **A. Rodríguez**, Juan Granada, M Rodríguez Alemparte, Juan Delgado, C F Vigo, C Fernández Pereira, A Pocoví, A Rodríguez Granillo, D. Schultz, A Raizner, I Palacios, W O'Neill, G Kaluza, G Stone. Poster Congress 2005 – ESC (European Society of Cardiology) September Stockholm
60. Coronary Stent thrombosis in current drug eluting stent era: Insights from ERACI III Trial. Carlos Fernandez Pereira MD, **A. Rodríguez MD**, Juan Guiroy MD, Juan Mieres MD, Carlos Rodriguez

Pagani, C F Vigo MD, M Rodríguez Alemparte MD, Daniel Berrocal MD, Liliana Grinfeld MD, Igor Palacios, TCT 2005 Washington.

61. Cost Effectiveness in Patients Treated with drug eluting stents vs bare metal stent and oral rapamycin in hospital and one year follow up "Carlos Fernandez Pereira MD, Juan Mieres, C F Vigo, M Rodríguez Alemparte, Angeles Rodriguez, Valeria Curotto, **A. Rodríguez MD**. TCT 2005 Washington
62. Multiple vessel stenting in drug eluting stent era: one year follow up of the ERACI III study. **Alfredo E Rodriguez**, L Grinfeld, C Fernandez-Pereira, J Mieres, D berrocal, C F Vigo, W O'Neill, I Palacios. Poster Congress 2005 – ESC (European Society of Cardiology) September Stockholm.
63. Cost Effectiveness of two Different Strategies of revascu Stent Era: Hospital and Long Term Follow Up Results.- C Fernandez Pereira, Juan Mieres, M Rodríguez Alemparte, C F Vigo, AM Rodriguez Granillo, V Curotto, **Alfredo E Rodriguez**.- ESC (European Society of Cardiology) 2006.
64. Percutaneous Coronary Intervention with Bare Metal Stents and Oral Sirolimus has Comparable Safety and Efficacy to treatment with Drug Eluting Stents but with Significant Cost Saving: Long Term Follow up results from the Randomized, Controlled ORAR III (Oral Rapamycin in Argentina) Study. **Alfredo E Rodriguez**, Andrew Maree, Sonia Tarragona, Carlos Fernandez-Pereira, Alfredo M Rodriguez-Granillo, Gaston A Rodriguez-Granillo, Omar Santaera, Juan Mieres, Neville Kukreja, David Antoniucci, Igor Palacios, Patrick Serruys. American Heart Association, Circulation 2008;118.5-1051.
65. Percutaneous Coronary Intervention with Bare Metal Stents and Oral Sirolimus has Comparable Safety and Efficacy to treatment with Drug Eluting Stents but with Significant lower cost: thirtyone months cost saving and clinical events analysis, from the Randomized, controlled ORAR III (Oral Rapamycin in Argentina) Study. Carlos Fernandez-Pereira, Bibiana Rubilar, Juan Mieres, Carlos Rodriguez-Pagani, Omar Santaera, Alfredo M Rodriguez-Granillo, David Antoniucci, Igor Palacios, Patrick W Serruys, **Alfredo E Rodriguez**. American Heart Association, Scientific sessions November 2009.
66. Impact of Diabetic Population in the Long term Outcome of Patients with Multiple vessel Disease Treated with Drug Eluting Stents, Bare Metal Stents or Coronary Bypass Surgery: Insights from Final Five Years Follow up Results of ERACI III Study. **Alfredo E Rodriguez**, Liliana Grinfeld, Daniel Berrocal, Juan Mieres, Alfredo M Rodriguez-Granillo, Carlos Fernandez-Pereira, Valeria Curotto, Andrew Maree, William O'Neill, Igor F Palacios. American College of Cardiology (ACC),

March 2010.

67. Comparison of a Paclitaxel Eluting Stent with Biodegradable Polymer and Glycolix Coating versus Bare Metal Stent Design: First Presentation of 9 Months Clinical and Angiographic Outcome of the Randomized, Multicenter and Controlled EUCATAX Trial (NCT00825279). **Alfredo E Rodriguez**, Federico C Vigo, Alejandro Delacasa, Victor Bernardi, Marcelo Bettinotti, Omar Santaera, Valeria Curotto, Carlos Fernandez-Pereira, Bibiana Rubilar, Juana Mieres, David Antoniucci, Igor F Palacios. American College of Cardiology (ACC), march 2010.

11- Publications published or presented in Argentina.

Papers published.

12- Meetings participation.

- 1982** August – Guest Faculty - Visiting Professor, International Meeting: Coronary heart disease, University of Chile, Santiago, Chile
- 1983** September – Guest Speaker – Visiting Professor, V Bolivian Congress of Cardiology, La Paz, Bolivia.
- Honorarium Visitor of Bolivia, title given by the Ministry of Health of Bolivia
 - Guest Faculty, VIII Latinamerican Meeting on Hemostasia and Thrombolysis, Montevideo, Uruguay.
- 1984** October – Guest Faculty – Visiting Professor, Course on Therapeutic News on Cardiology, Chilean Medical Society, Santiago, Chile
- 1987** October – Guest Faculty – Visiting Professor, VII Bolivian Congress of Cardiology, Bolivian Society of Cardiology, Cochabamba, Bolivia
- 1988** September – Guest Faculty – Visiting Professor, III Paraguayan Congress of Cardiology, Asunción, Paraguay.
- Honorarium Visitor of Paraguay, title given by the Ministry of Health of Paraguay
- 1989** November – Guest Faculty - Visiting Professor, International Meeting on Interventional Cardiology, Luis Vernaza Hospital, Guayaquil, Ecuador
- 1991** June – Guest Faculty - Visiting Professor, IV International Congress of Cardiology,

- Panama Society of Cardiology, Panamá.
- September – Guest Faculty - Visiting Professor, IV International Congress of Cardiology, Panama Society of Cardiology, Panamá.
- 1992** February – Guest Faculty, 50th Annual Meeting of Cardiology, San Pablo, Brazil
- November – Guest Faculty, 50th Annual Meeting of Cardiology, San Pablo, Brazil
- 1993** September – Guest Faculty, IV PTCA Meeting, University of Alabama, Birmingham, USA
- Guest Faculty - Visiting Professor, Paraguayan Congress of Cardiology, Asunción, Paraguay
- 1994** May – Guest Faculty - Visiting Professor, II Sessions on Cardiology and Cardiovascular Surgery, Deutsch Clinic, Catholic University, Santiago, Chile.
- June – Guest Faculty, Interamerican Congress, Miami Vascular Institute, Miami, USA.
- August – Guest Faculty - Visiting Professor, Meeting on Interventional Cardiology, Heart National Institute. Lima, Perú
- September – Guest Faculty, V PTCA Meeting, University of Alabama, Birmingham, USA
- October – Guest Faculty, Course on Interventional Cardiology, Miami Heart Institute, Orlando, USA
- Guest Faculty, Visiting Professor, Brazilian Congress of Cardiology, Porto Alegre, Brazil.
- 1995** June – Guest Faculty , Centro Cardiovascular, Santiago Chile
- July – Guest Faculty: I Congreso de la Sociedad Latinoamericana de Cardiología Intervencionista. San Pablo – Brasil
- August – Guest Faculty: XVIII Congress of the European Society Cardiology. Amsterdam
- September – Guest Faculty: Primer Curso Internacional de Intervencionismo por Imágenes. Hospital Guillermo Almenara. Lima - Peru
- October – Guest Faculty: Taller de Controversia en Cardiología. Clinica Alemana. Santiago Chile. Chile
- November – Guest Faculty XI Congreso Boliviano de Cardiología. La Paz – Bolivia
- Guest Faculty: 68 th Scientific Sessions- American Heart Association, Anaheim, California, USA
- December – Guest Faculty XV Congreso Interamericano de Cardiología. Santiago –

- Chile
- 1996** January – Guest Faculty Interventional Coronary Stenting. Miami Heart Institute. Miami Beach – Florida
- May – Guest Faculty: Complex Coronary Angioplasty and new techniques in international cardiology . Clinique Pasteur – Toulouse – France
- August – Guest Faculty: Satellite Symposium European Society of Cardiology – Birmingham – United Kingdom
- November – Guest Faculty: 68th Scientific Sessions American Heart Association – New Orleans, Louisiana
- December – Guest Faculty: XXXIII Congreso de la Sociedad Chilena de Cardiología y Cirugía Cardiovascular, Valdivia, Chile
- 1997** March – Guest Faculty: 46th Annual Scientific Session, Anaheim, California, USA
- April – Guest Faculty XI Practical Course in Interventional Cardiology - Madrid, Spain
- May – Guest Faculty: The Endovascular Therapy Course in France – Paris , France
- August – Guest Faculty: XIXth Congress of the European Society of Cardiology Stockholm – Sweden
- September – Guest Faculty: Washington Convention Center, Transcatheter Cardiovascular Therapeutics – IX Washington DC
- November – Guest Faculty: 70th Scientific Sessions, American Heart Association. Orlando, Florida, USA
- December – Guest Faculty: 4th Thoraxcenter Course on Coronary Stenting Rotterdam, Holanda
- 1998** January – Guest Faculty: International Andreas Gruentzig Society Meeting. Punta del Este, Uruguay
- February – Guest Faculty: 10th Annual Advances in Diagnostic and Therapeutic Cardiac Catheterization. Orlando, Florida, USA
- Guest Faculty: Whistler Conference. Vancouver, Canada
- March – Guest Faculty: Kamakura Live Conference. Tokio, Japan
- Guest Speaker: 47th Annual Scientific Seccion, American College of Cardiology. Atlanta – USA
- National Guest Speaker. Actualization Course: Cardiology 98. Cardiology

- Society from Tucumán. Tucumán, Argentina
- April – Guest Speaker: Joint Symposium of the Interventional Cardiology Societies from the Americas, Europe and Asia. Rio de Janeiro, Brasil
- Guest Speaker: World Congress of Cardiology. Rio de Janeiro, Brasil
- May – Guest Faculty: Endovascular Therapy Course Coronary and Peripheral. Toulouse, France
- June – Guest Faculty: “Current Medical and Interventional Therapy in Acute Coronary Syndromes”. Mount Sinai Medical Center – New York, USA
- National Guest Speaker: - Continuous Medical Education- Annual Course of Cardiology-IV Coronary Atherosclerosis. Org. Harvard Medical International. Buenos Aires, Argentina
- National Guest Speaker: “Symposium”. Italian Hospital from Rosario. Rosario, Argentina.
- National Guest Speaker. “VII National Congress of Cardiology”. Argentina Federation of Cardiology. Rosario, Argentina.
- July – Guest Speaker: Madrid Interventional Cardiology (MIC1998) Madrid , España
- August – Guest Speaker: II Jornada de la Sociedad Latinoamericana de Cardiología Intervencionista (SOLACI 98). Montevideo, Uruguay
- Guest Faculty: The Annual Convention of the European Society of Cardiology. Vienna, Austria
- September – Honor Guest Speaker. XXXI Venezuelan Congress of Cardiology. Municipio Vargas, Venezuela.
- International Panelist. VIII. Trasandinas Journals of Cardiology and Cardiovascular Surgery. Santiago, Chile.
- October – Faculty Member: Transcatheter Cardiovascular Therapeutics – Tenth Anniversary. Washington, USA
- Director Symposium de Hemodinamia XXV Congreso Argentino de Cardiología, Sociedad Argentina de Cardiología. Buenos Aires, Argentina
- November – 71st Scientific Sessions, American Heart Association. Dallas, USA
- December – Chairman: South table: Interventional Symposium Favalaro Foundation. Buenos Aires, Argentina
- Guest Speaker: National Congress Argentino. Council and Interventional

- Cardiology. Buenos Aires, Argentina
- 1999** January – Chairman: The Dawn of a New Era in the Treatment of Acute Myocardial Infarction. Florence, Italy
- February – Guest Faculty: Whistler Conference. Vancouver, Canadá
- Guest Faculty: 47th Annual Meeting American College of Cardiology. New Orleans, USA
- March – Guest Faculty: VII Interventional Cardiology Course of the National Institute of Cardiology “Ignacio Chavez”. México, México
- August – Guest Speaker: III Congress of Interventional Cardiology Latinoamerican Society (SOLACI 99). Santiago, Chile
- September – Guest Faculty: Transcatheter Cardiovascular Therapeutics. Washington DC, USA
- December – National Guest Speaker: Sociedad Argentina de Cardiología (SAC)
- 2000** February – Guest Faculty: The Whistler Course 2000. Vancouver. Canada
- March – Guest Faculty: American College of Cardiology (ACCIS 2000). Anaheim, California. USA
- May – Guest Faculty: The Paris Course on Revascularization. Paris. France
- Guest Faculty: 6th Biennial International Andreas Gruentzig Society (IAGS) Meeting. Crete, Greece.
- July – Guest Faculty. VI Congress of Interventional Cardiology Latinoamerican Society (SOLACI 2000). Caracas. Venezuela.
- August – Guest Faculty. XXII Congress of European Society of Cardiology.
- Amsterdam. The Netherland. Holanda
- September – Organizing Committee: The Interventional Cardiology Symposium in the Argentine Congress of Cardiology. Buenos Aires. Argentina
- Director: Interventional Cardiology Course. CECI 2000. Otamendi Hospital. Buenos Aires Argentina
- October – Guest Faculty: TCT. Transcatheter Cardiovascular Therapeutics. Washington. USA.
- November – Guest Speaker: GISE. National Congress of Italian Invasive Cardiology. Palermo. Italia
- 2001** January – Guest Faculty: 10th Singapore LIVE (Live Interventions in Vascular Endotherapy). Singapore.

- February – Guest Faculty: 50 Anniversary Mexico Institute of Cardiology. Mexico, Mexico
- Guest Faculty : 10 th Annual Interventional Cardiology Whistler Course 2001
- New Practices In Interventional Cardiology – Vancouver, Canada.
- March – Guest Faculty: American College of Cardiology, 50th Annual Scientific Session. Orlando. USA
- April – Guest Speaker. XX National Congress of Cardiology - FAC 2001. Catheterization Symposium Therapy. Córdoba. Argentina
- May – Guest Faculty. EURO – PCR 2001. The Paris Course on Revascularization. Paris. France
- June – Guest Speaker. I International Symposium of Isquemic Cardiopaty from the Cardiology Institue of Corrientes. Corrientes, Argentina
- Contribution Faculty and CathSap II American Collage of Cardiology. USA
- July – Guest Speaker. VII Congress of the Latinoamerican Society of Interventional Cardiology. Mexico, Mexico
- September – Guest Faculty. TCT 2001, Transcatheter Cardiovascular Therapeutics. Washington DC, USA.
- Director: Interventional Cardiology Course. CECI 2001. Otamendi Hospital Buenos Aires, Argentina
- Organizing Committee: The Interventional Cardiology Symposium in the Argentine Congress of Cardiology. Buenos Aires. Argentina
- October – Guest Faculty. GISE Meeting. Cuomo, Italy
- December – President. National Congress of Cardiology. Argentine Society of Interventional Cardiology. Bariloche, Argentina.
- December – Guest Faculty. Chilean Congress of Cardiology. Pucón, Chile
- 2002** February – Guest Faculty. IAGS International Andreas Gruentzig Society Meeting. St. Lucia, Caribbean
- March – Guest Faculty. ACC Cardiology Meeting Atlanta. USA
- May – Guest Faculty. National Symposium. Society for Cardiac Angiography and Interventions (SCA & I). Seattle, Washington.
- Guest Faculty. EURO – PCR 2001. The Paris Course on Revascularization. Paris. France
- Guest Faculty. Society for Cardiac Angiography Meeting. Seattle. USA

- Guest Faculty. Euro PCR 2002. Paris France
- National Guest Speaker. Course of the Argentinian Society of Cardiology (SAC). “From the problem to solution” Buenos Aires, Argentina
- National Guest Speaker. Simposio Cardiología 2002. “The Italo Argentinian focus”(UBA) Buenos Aires, Argentina
- June
 - Guest Faculty. Miyazaki, Japan
 - National Guest Speaker. “The Health in Argentina” (SAC). Buenos Aires, Argentina
- July
 - Guest Faculty. VIII Congress of the Latin American Society of Interventional Cardiology (SOLACI). Lima, Peru
- August
 - Guest Faculty. Interventional Cardiology Symposium Federation Argentine of Cardiology (FAC 2002). Mar del Plata, Argentina
- September
 - Guest Faculty. TCT 2002, Transcatheter Cardiovascular Therapeutics. Washington DC, USA
- October
 - Guest Faculty. XXIX Argentine Congress of Cardiology. Argentine Society of Interventional Cardiology (SAC-CACI). Buenos Aires, Argentina
 - . President Interventional Cardiology Symposium in the Argentine Congress of cardiology (CECI 2002). Otamendi Hospital. Buenos Aires, Argentina
- November
 - Guest Faculty. XII Interventional Cardiology Congress (CACI 2002). Córdoba, Argentina
